SECTION 2 - REGULATIONS, (CONT'D.)**2.7 Payment and Billing**

2.7.1 Service is provided and billed by the Company. Usage sensitive charges are billed in arrears. Fixed monthly recurring charges are billed in arrears for services offered in Section 4 of this tariff. Fixed monthly recurring charges are billed one month in advance for services offered in Sections 7, 8, 9 and 10 of this tariff. The Customer shall pay monthly in advance or on demand all monthly recurring charges for Service and shall pay on demand all charges for usage at any agency duly authorized to receive such payments.

2.7.2 Bills are due and payable upon receipt. Interest at the lesser of a rate of one and one-half percent (1.50%) per month, or the maximum rate allowed by law, shall be charged. The 1.50% charge is applied to all new charges on a customer's previous month's bill which were not paid prior to the next billing date. Additional penalty charges shall not be assessed on unpaid penalty charges.

2.7.3 Should service be suspended for nonpayment of charges, it will be restored when appropriate payments are made. Any monthly service charges will continue to accrue until appropriate payments are made.

(T)
(T)

2.7.4 When service has been disconnected for nonpayment, the service agreement is considered to have been terminated. Re-establishment of service may be made only upon the execution of a new service agreement which is subject to the provisions of this tariff.

2.7.5 In its discretion, the Company may restore or re-establish service which has been suspended or disconnected for nonpayment of charges, prior to payment of all charges due. Such restoration or re-establishment shall not be construed as a waiver of the Company's right to receive full payment for all charges due or any rights to suspend or disconnect service for nonpayment of any such or other charges due and unpaid or for the violation of the provisions of this tariff; nor shall the failure to suspend or disconnect service for nonpayment of any past due account or accounts operate as a waiver or estoppel to suspend or disconnect service for nonpayment of such account or of any other past due account.

SECTION 2 - REGULATIONS, (CONT'D.)**2.7 Payment and Billing, (Cont'd.)**

2.7.10 The Customer is responsible for payment of all charges for services and equipment furnished to the Customer for transmission of calls via the Company. In particular and without limitation to the foregoing, the Customer is responsible for any and all cost(s) incurred as the result of:

- (A) any delegation of authority resulting in the use of the Customer's or its Authorized User's or End User's communications equipment and/or network services which result in the placement of calls via the Company;
- (B) any and all use of the services provided by the Company, including calls which the Customer did not individually authorize;
- (C) any calls placed by or through the Customer's or its Authorized User's or End User's equipment via any remote access feature(s);
- (D) any and all calls placed to an "800", "877", "888" or other toll-free service number provided to the Customer by the Company.
- (E) any calls placed by the Customer or Authorized User using a Company-issued travel or calling card as a form of payment. The Customer is also responsible for payment as a result of the Customer's or its Authorized User's intentional or negligent disclosure of access numbers or Authorization Codes provided to the Customer for use with Travel Service, Preferred Travel Service, or any calling card service.

2.7.11 Non-recurring charges for installations, service connections, moves, and rearrangements, where applicable, are payable upon demand to the Company or its authorized agent. Billing thereafter will include recurring charges and/or actual usage as defined in this tariff.

2.7.12 With respect to any Services for which there is a flat rate monthly service charge for a specified number of minutes of long distance usage, the per minute charge for actual minutes of usage that are less than such specified number of minutes in any month shall be equal to the flat rate charge for the specified number of minutes of usage divided by the actual minutes of usage in such month. In the event of no usage in a billing period, the monthly service charge will nonetheless apply.
